

Hello 9-12th grade families,

DID I HEAR THERE IS A NEW WEEKLY EVENT?

We are excited to announce a new event called *Sunday Night Live!* This will be an in-person Bible Study on **Sundays at 5:00-6:15pm at the church in our Wesley gym**. We are meeting this week and we will begin a Bible Study series called "Moments with John Wesley". Students can find this week's readings on our website at STPKATY.ORG/SNL. This will be updated weekly and is a way students can participate during their group time and/or alone at home.

WE ARE MEETING AT THE CHURCH???

We have been given permission to meet in our gym with our high school students for this event. Here are the safety measures we are taking:

- chairs will be set up at a safe distance from one another
 - Students may bring their own chair if they like
- Masks are required*
 - *Masks can be removed when eating but put on afterwards
- We will have plenty of hand sanitizer and places to wash hands
- Students will only be allowed to go to the bathroom one at a time
- Games like pool, table tennis, air hockey, etc. will be off-limits

WILL THERE BE FOOD?

The church will not provide any food or drinks at this time. However, students may bring their own food if they like (fast food, homemade, etc.), just like we did with our picnics during the summer. Students may remove masks when eating but must put masks back on afterward.

Also, water fountains have been shut off at the church. Students will need to bring their own water bottles.

WAIT...WHAT HAPPENED TO LIFE GROUPS?

SNL will be taking the place of Life Groups for the season we are in this Fall. It is very similar but just a different structure, different timing and different location. So, if any students have been involved in Life Groups in the past, they are welcome to attend! If any students have never participated in Life Groups, they are welcome to attend!

We will have 9/10th graders in a group and there will be a group for 11/12th graders.

HOW DO I KNOW WHAT IS HAPPENING IN STUDENT MINISTRY?
